EARLY DEATH RECORDS

Of

DEFIANCE COUNTY, OHIO

1867 - 1884

Compiled by
Fayne E. Harter
October 22, 1970

It would not be fitting if recognition were not given to Judge John W. Winn of the Defiance County Probate Court, and to his staff, Rose Brown and Don Epple. For all the wonderful co=operation given, I can only say, "Thank You All".

The original Death Records are located in the Defiance County Probate Court Office. The following deaths are from Volume I. Each death in the original record was assigned a number; and the same numbers are given in this book, following the name. Through an error in the original records, a second #2303 was used and the numbers continue consecutively through out the remainder of the records. So there will be duplicate numbers from #2303 to 2402.
